

The Decent Noodles Factory is a part of Saha Pathanapibul PLC, one of the biggest consumer product companies in Thailand.

The Decent Noodles Factory is a manufacturer of instant noodles for the whole world.

The Decent Noodles Factory provides its own branded instant noodles for domestic and international consumption, in many kinds of packaging such as bags, cups, and bowls, for individual customers as well as OEM services.

The Decent Noodles Factory constantly focuses on enhancing product quality, production processes as well as safety and environment concerns. We believe that constant innovation will raise product standards and improve the value delivered to customers.
